DONATION "WISH" LIST

On the shores of Big Carr Lake, in the heart of *The Northwoods*, there is a haven with a **Mission** to provide rest, relaxation, recuperation and rehabilitation to Wisconsin veterans of all ages, active duty military service members and their families. Camp serves those who have a physical or psychological medical condition, any and all types of service and non-service related illnesses, injuries or disabilities.

A few 'physical' examples are blindness/vision loss, deafness/hearing loss, fatal/incurable disease, loss of limb/amputees, paralysis/spinal cord injury, permanent disfigurement, severe burns, traumatic brain injury, cancer, stroke, ALS and Parkinson's disease. To help with 'psychological' conditions, Camp assists those with Post Traumatic Stress (PTS), Traumatic Blast Injuries (TBI), Combat Operational Stress (COS), Dementia and Bipolar conditions along with many other related emotional and cultural issues to get them back on the road to health.

Camp is also a place for family reintegration and support following an active-duty service member's deployment. Families and children are welcome, as our goal is to help families get back together, reconnect and bond. Camp will help the whole family heal. Camp also welcomes survivor families of the fallen, to assist them with their grief, remembrance and healing.

Your donation should fill you with a strong sense of pride because in a very special and unique way you are serving those who have served and your country.
