COME HELP US CELEBRATE 100 YEARS!

The American Legion was chartered in 1919 and has been supporting Veterans, their families and their communities ever since through programs such as:

- **Troop and Family Support Grants**- help families of deployed troops meet their financial obligations both while they are deployed, and once they come home.
- **Camp American Legion** is a place where Veterans and their families can go for a week free of charge and relax, rehabilitate, heal and reconnect.
- **American Legion Baseball** is part of our commitment to youth, by supporting these talented young men.
- **Badger Boys State and Badger Girls State** teach young men and women about our government and how to be better citizens. Along with these programs, we have many other scholarship programs available.
- **The American Legion Service Office** to ensure our Veterans are getting proper medical assistance.
