

THE AMERICAN LEGION DEPARTMENT OF WISCONSIN

EVER THOUGHT OF BEING ON A DEPARTMENT COMMITTEE? NOW IS THE TIME!

Each year the Department Commander has many appointments to fill on the Department Standing Committees. We are asking ALL Legionnaires to think about your gifts, professions and passions that you possess, and where you can best use them for the better of the Legion.

The list of Standing Committees can be found at www.wilegion.org under About → Commission and Committees. You can click on any committee and view the purpose of the committee, how many times they meet and the current members.

Attached is the Standing Committee Application that is to be filled out and given to your District Commander. You can also fill it out online in the same portion of the website as listed above. If anyone would like a copy emailed to them they can request that via email to angela@wilegion.org.
